Dear Frankford High School Alumni,

I hope that this newsletter finds you well and enjoying the early fall. I am excited to share some updates with you about some of the great things taking place here at Frankford High School.

We successfully welcomed back over 900 students to the “Home of Champions” on September 3, 2019 as we kicked off the 109<sup>th</sup> school year at Frankford High School. The year started off with a celebratory tone when we honored our 21-time Public League Champion Baseball team with a special Championship Ring Presentation Ceremony for winning their third consecutive Public League Championship. We proudly unveiled the updated championship banner that hangs in the gym and look forward to adding more in the future.

By now most of you are aware that we added an aviation program to our school last year. I am happy to announce that in the coming weeks our students are scheduled to begin taking their flying lessons. Equally exciting is that beginning in the 2020-2021 school year, we are adding two new career programs to our offerings, Hospitality and Tourism Management as well as the first high school Solar Energy CTE Program in the entire nation. We are definitely living up to our moniker of Pioneers!

I am excited to announce that we will be holding our 3rd Annual Frankford High School 5K Run on October 19, 2019. We hope you will be able to make it out to support this very exciting event. Please check back to our website at <https://frankfordhs.philasd.org> for updates on this event or to register as a runner yourself!

On Thanksgiving Day we will once again be playing Boys Latin HS at Frankford War Memorial Stadium. Kickoff will be at 9:45 AM. This year, we are going to commemorate the 50<sup>th</sup> Anniversary of the 1969 Philadelphia Public League Championship Team. This team played in the first ever Philadelphia Public League Championship game as previous league champions were determined based on their record. Please come join us in honoring these Pioneers and celebrating our storied history and bright future!

Sincerely,

Dr. Michael J. Calderone, Principal

On May 19, 2019, the ‘Forty Niners’ (Jan. & June 1949 classes) held their 70th Reunion. It was a great affair with all the great attributes of good music, great food and above all, being with old friends and classmates. Some came from as far as Arizona, Florida and North Carolina. Although our numbers have declined, those of us who were in attendance had a super time. Hopefully, we will be able to have another in a few years??? Thanks to all who were there to make it a great affair! –Jim Phillips

**111th Pioneer Award Winner**  
**Christine Duffy**  
**Class of 1979**

Christine DeVone Duffy is currently the first-ever woman president of Carnival Cruise Line, the biggest brand in the fleet of Miami-based global cruise industry leader Carnival Corp. As president of the largest cruise line operator in the world, she's the captain of a company that sails a fleet of 26 ships, annually hosts more than five million guests and employs more than 40,000 people who hail from more than 110 nations around the globe.

Christine's mother is French, and all of her family is in France. Growing up, she spent summers in France, and traveled on vacations with her French cousins. She got the travel bug quite early!

After graduating from Frankford, Christine got a job as a receptionist at a travel agency on Walnut Street in Philadelphia, which was travel agency row. After six months, she went down the street to McGettigans Travel Bureau. This was 1982 and she was hired by Norbert McGettigan, who met her in the reception area and said, "Hire her." So for \$200 a week she became a travel agent in Philadelphia. McGettigans did a ton of cruise business back when the QE2 was in Philadelphia. They had even done the wedding of Grace Kelly. In 2001, the agency was acquired by Maritz Travel Company, and three years later Christine became the first woman president and CEO of Maritz.

In 2011 Christine was approached by the Cruise Lines International Association (CLIA) to run their trade association in Washington, DC for the cruise industry. While at CLIA, she elevated the industry's profile before consumers, regulators, industry stakeholders and the media; led the industry's adoption of the Cruise Passenger Bill of Rights to enhance the industry's commitment to passenger safety, comfort and care; managed the industry response to several high-profile crises; and consolidated a network of 15 cruise industry organizations into one global association with offices around the world. In 2015, Christine moved on to join Carnival Cruise Line.

Christine sits on the executive committee of the U.S. Travel Association and currently serves as its second vice chair, as well as the Professional Advisory Board of St. Jude Children's Research Hospital. She has been a strong supporter of women's leadership in the travel industry, leading initiatives that delivered research and programs to help women advance their careers. Christine is also a member of The Committee of 200, an organization of the world's most successful women business leaders that supports, celebrates and advances women's leadership. She was recognized by Moves magazine as a 2016 Power Women recipient for her work in serving as a role model for future generations of young women. She has received honors from the Convention Industry Council, the U.S. Coast Guard, and the South Florida Business Journal.

She and her family live in Miami, but travel often to Philadelphia and Cape May.
